Demographics Survey

We are collecting demographics about our members to learn how to better serve you, as well as to be able to answer demographics questions our funding agencies ask us. We will use this confidential information in the aggregate, but not individually. This information will not be shared on your membership roster.

What is your birth year? (we want to know the age distribution of our members)	
What is your racial / ethnic identity? (we want to know whether our members represent diverse racial or ethnic identities)	
What are your pronouns? (we will use these pronouns to count binary and non-binary gender)	
How do you identify yourself in the LGBTQAI or Ally categories?
